DRAFT 2016 SAD AGENDA (v2).docx

Hi – Attached is an updated draft agenda for our meeting in August that includes a new item under the Uinta Basin O&G topic and us finishing the meeting early on Wednesday. I only got a question from Brian on the first version of the agenda, so let me know if there are any other topics or revisions we should make. I plan to send out a final agenda next Friday, August 5th.

Subject: Draft Agenda for August 16-17th SAD Meeting

Hi SADs – Attached for your review and input is a draft agenda for our SAD/EPA meeting on August 16th and 17th. We have some time on the 17th that is open for another topic. Is there anything any of you (or a few of you) would like to discuss?

Please send me your input by July 22nd and I will send out a revised version the last week of July for any additional edits. Thanks.
